Before the
New Hampshire Board of Licensing for
Alcohol and Other Drug Use Professionals
Concord, New Hampshire 03301

In the Matter of:
Mark Robinson, MLADC
License No.: 0640
(Misconduct Allegations)

ORDER

In a letter dated December 28, 2015, Mark Robinson, MLADC (License No. 0640), voluntarily surrendered his license to practice as licensed drug and alcohol counselor in the State of New Hampshire. Mr. Robinson acknowledged that he was aware that the New Hampshire Board of Licensing for Alcohol and Other Drug Professionals ("Board") had initiated an investigation into his practice as an MLADC. The Board initiated this investigation after receiving a complaint alleging that Mr. Robinson had engaged in professional misconduct. Mr. Robinson denies the allegations and does not admit to any violations of RSA 330-C:27.

The Board construes Mr. Robinson's letter as a voluntary surrender of his license to practice as a licensed alcohol and drug counselor. Since this voluntary surrender occurred while misconduct allegations were pending, Mr. Robinson's voluntary surrender will be reported as a disciplinary action. Mr. Robinson shall have thirty (30) days to notify the Board in writing if he disputes the Board's interpretation of his letter and a public hearing on the allegations of professional misconduct shall be noticed pursuant to RSA 330-C:27. If the Board does not receive written notice within thirty (30) days, this order shall become a final order of the Board and shall be maintained as a public document.

In the event Mr. Robinson seeks to become licensed again, Mr. Robinson shall bear the burden of proving compliance with all of the standards and prerequisites then required by the Board for new applicants, including professional character requirements.
