# NEW HAMPSHIRE ELECTRICIANS' BOARD
# LICENSING SUBCOMMITTEE MINUTES

There was a Licensing Sub-Committee meeting of the Electricians' Board held on April 3, 2018 at the Boards' office. The meeting was called to order at 11:45 a.m. by Peter Cicolini, Chairman. Also in attendance was Board Member – Joseph Casey (left at 12:25pm), Chief Electrical Inspector – Dean Sotirakopoulos, Steven Rancourt - ECBA, Bill Fraser – Giguere Electric, Inc., and Matt Markham – Tesla. Not present were Jeff Sargent-NFPA nonvoting member, Jonathan Mitchell - IBEW and Nathan Poland – Revision Energy.

**1. There was a motion to approve the amended minutes** – Bill moved, Matt seconded to approve the amended minutes all unanimously approved.

**2. Discussion of a Limited Energy License –** There was discussion for creating a limited energy license which changed into creating a detailed/targeted exception for limited energy installations. The questions for the next meeting are should it be only for class 2 wiring and how to target the areas of the exception such as referencing specific NEC sections and/or articles. Also a suggestion was to list all the installations that would be exempt such as data, nurse call systems, A/V systems, ETC. A motion by Peter and Bill seconded to continue discussion at the next meeting and adjourn was unanimously approved by all present.

**3. Adjournment –** The meeting adjourned at 1:25PM

Date and time of the next meeting – ***Tuesday May 1, 2018 at TBD, 121 South Fruit St, Concord.***

.

Respectfully Submitted,

Dean Sotirakopoulos
