

Dear Medicine Professionals,

The Office of Professional Licensure and Certification would like to inform you that all continuing education will now be tracked through CE Broker and OPLC rather than CE Broker and the New Hampshire Medical Society. If you already have a login for CE Broker, you will now login directly at www.cebroke.com.

To sign up for an account with CE Broker, please check out these [step-by-step instructions](#). In the meantime, do not hesitate to contact customer support at customersupport@oplc.nh.gov with any questions you may have regarding this new partnership. As a reminder, if you already have a CE Broker account, all your information will remain the same.

Although the process of logging your continuing education through CE Broker will now be required, please note that there are multiple account plan options which include Basic (free), Professional or Concierge designed to meet your continuing education needs.

We look forward to our new partnership with CE Broker.

Thank you,

Office of Professional Licensure and Certification
