V. Rules

A. **Hearing MED 403.01 and 403.02 - 12:30pm**

Emily Baker opened the rules hearing at 12:32pm and asked if the Board had any comments. Marc Bertrand said that he was concerned about 403.01 and that 5 days to report seemed like a short amount of time. Dr. Baker recommended that perhaps 30 days was more appropriate, and the Board agreed. Tina Kelley, OPLC rules coordinator will make the change to 30 days for the final proposal. With no further comments from the Board or from the public the hearing was closed at 12:48pm.

B. **Review Initial Proposal Med 100 various**

With no comments or concerns the Board voted on a motion by Richard Kardell and seconded by Jonathan Eddinger to approve the initial proposal as presented.

C. **OPLC 200 Rules** - Director Courtney Discussed at December meeting

The Board was in agreement that adopting the OPLC 200 rules would be beneficial so Tina Kelley, OPLC rules coordinator will draft 200 rules pertaining to the Board of Medicine specifically that follow the OPLC 200s outline.

VI. Public New Business

A. Molly Rossignol from the NH Physician Health Program appeared before the Board via Zoom to answer questions. Dr. Baker asked if all providers are required to sign a contract. Ms. Rossignol said it depends on the circumstances. If the provider is being monitored, then they would most likely have a contract. Dr. Baker continued by asking what is referred to the Board. Ms. Rossignol said that there are stipulations in

the contract that list what goes to the Board. If parts of the contract are violated, then the Board is notified. David Goldberg asked if a provider's license were to lapse then do they continue to get monitored. Ms. Rossignol stated that they do not and continued by answering Nina Gardner's question that NH will get monitoring reports from other states if they are being monitored elsewhere.

B. PA Licensure Application Changes Discussion

Susan Finerty expressed concerns that PA applications have not been updated to reflect recent law changes, to include that it is no longer required to report a supervising Physician. Talia Wilson Board Administrator explained the Board's 600 rules are in process and once finalized then new forms have to be created and submitted to the Joint Legislative Committee on Administrative Rules for approval. This is a lengthy process, but OPLC is working on getting this completed. The Board requested that an email notification be sent out to licensees informing them of the law change and what is now required with an application.

VII. Adjournment On motion by Linda Tatarczuch, seconded by David Goldberg, the Board voted unanimously by roll call to adjourn the public session at 2:01 p.m.
