Plc 1504.08 Review of Complete Applications for Initial Licensure; Decisions.

(a) After determining that an application is complete, the licensing bureau shall review the application to determine whether the applicant meets all criteria specified in applicable law for a license to practice respiratory care.

(b) Subject to (c), below, the licensing bureau shall approve an application for initial licensure and issue a license if the applicant:

- (1) Has submitted an application that meets the requirements of Plc 1504.03;
- (2) Meets the statutory requirements for licensure reiterated in Plc 1504.01; and
- (3) Has met the competency requirements of Plc 1504.13, if applicable.

(c) The licensing bureau shall notify the applicant of the decision on the application in writing sent to the applicant's designated email address.

(d) If the licensing bureau determines that the applicant has not demonstrated that all requirements to obtain a license are met, then:

- (1) The licensing bureau shall deny the application; and
- (2) The notice sent pursuant to (c), above, shall inform the applicant that the denial shall become final in 30 days unless the applicant requests a hearing in writing within 30 days.

(e) If the application is denied in accordance with (d), above, the application processing and licensing fee shall not be refunded.

Plc 1504.09 Challenging a Conditional Denial of Initial Licensure. An applicant who wishes to challenge the conditional denial of an application for initial licensure shall do so as provided in Plc 304.10.

PART Plc 1506 RESPIRATORY CARE STUDENTS

Plc 1506.01 Purpose and Applicability.

(a) The purpose of this part is to formally acknowledge and give effect to the exemption from licensing under RSA 326-E:6, I(a) for students in approved respiratory care programs, to:

- (1) Allow students to satisfy supervised clinical education requirements; and
- (2) Reassure healthcare providers that students are authorized to work without being licensed.

(b) This part shall apply to:

- (1) Any educational institution that offers courses or programs that include clinical rotations to educate and train individuals who wish to become licensed respiratory care practitioners; and
- (2) Any individual who is enrolled in a course or program to be educated and trained in respiratory care.

(c) Nothing in this part shall be construed to prohibit payment to students.

Plc 1506.02 Clinical Rotations Allowed. An individual may engage in activities normally undertaken by a licensed respiratory care practitioner in a clinical rotation, without obtaining a license under RSA 326-E or Plc 1500, if the individual is enrolled in a course or program to be educated and trained in respiratory care that meets the requirements of Plc 1506.03.

Plc 1506.03 Requirements for Approved Courses and Programs. To qualify as an approved course or program:

(a) The educational institution that offers the course or program shall be accredited to offer educational programs by the applicable accreditation authority in the jurisdiction in which the programs are offered or by a federal accrediting agency, or both; and

(b) The respiratory care course or program shall meet the definition of “respiratory care education program” in RSA 326-E:1, XI, reprinted in Appendix C.

PART Plc 1507 LICENSEE OBLIGATIONS; CONTINUING COMPETENCE

Plc 1507.01 Licensee Obligations for Notifications and Updates.

(a) Each licensee shall notify the licensing bureau within 10 working days when a change of name occurs.

(b) Each licensee shall update the OPLC’s records within 10 working days when a change of personal telephone number or designated email address occurs.

(c) As provided in RSA 326-E:8, VI, each licensee shall update the OPLC’s records of any change in home or business address within 30 days of the change.

(d) Each licensee shall notify the licensing bureau within 10 working days of:

- (1) Any disciplinary action, including the imposition of fines or penalties, taken or in process of being taken against the licensee by any jurisdiction in which the licensee is licensed in any profession;
- (2) The commencement of any civil action or insurance claim filed against the licensee that alleges malpractice and any decision(s) made in such civil actions or insurance claims; and
- (3) Conviction without annulment in any jurisdiction of any felony that:
 - a. Constitutes a sexual offense as defined in the convicting jurisdiction;
 - b. Constitutes a violation of controlled substance law; or

c. Is based on:

1. Injury or the potential for injury to a victim;
2. Any form of theft that would be covered in New Hampshire by RSA 637; or
3. Any form of crime involving dishonesty, including but not limited to fraud, blackmail, extortion, graft, hoax, misrepresentation, or forgery.

(e) Each licensee shall know, and have available in the licensee's office or other place of business, information regarding how complaints can be filed with the OPLC.

Plc 1507.02 Licensee Responsibilities for Renewal. Each licensee shall:

(a) Know when the licensee's license is due to expire; and

(b) Except for holders of a temporary license or conditional license, file an application for renewal prior to the expiration of the current license in accordance with Plc 1508 if the licensee wishes to continue to practice in New Hampshire.

Plc 1507.03 Maintenance of NBRC Credential(s) Required.

(a) Each licensee shall comply with the requirements for maintaining NBRC credential(s).

(b) Each licensee shall maintain continuous NBRC credentials during a licensure period.

(c) Any continuing education meeting the requirements of the NBRC shall qualify as meeting the continuing competence requirements in Plc 1507.04.

(d) If a licensee's NBRC credential(s) is or are revoked or suspended by the NBRC, or if the credential(s) expire(s), the licensee shall:

(1) Notify the licensing bureau within 10 working days; and

(2) Not engage in respiratory care practice for compensation in New Hampshire unless and until reobtaining NBRC credential(s) and a license under RSA 326-E and Plc 1500.

Plc 1507.04 Continuing Professional Competence Requirements.

(a) Unless receiving a waiver pursuant to Plc 1507.06 based on active military service, a licensee intending to renew licensure shall engage in continuing professional education by completing 12 contact hours of continuing competence activities for the 2-year license period in accordance with (b) through (d), below.

(b) At least half of the contact hours required by (a), above, shall relate directly and primarily to the clinical application of respiratory care.

(c) The balance of the contact hours required by (a), above, shall relate to:

(1) How to teach respiratory care;

- (2) Respiratory care supervision and consultation skills;
- (3) Respiratory care curriculum development;
- (4) Trans-disciplinary issues or skills applicable to respiratory care;
- (5) Respiratory care administration and management;
- (6) Respiratory care research;
- (7) Extracorporeal membrane oxygenation (ECMO); or
- (8) Other continuing professional education similarly not related directly and primarily to the clinical application of respiratory care, including but not limited to development of leadership skills and training in emergency management.

(d) Continuing competence credit shall be accumulated through participating in any continuing competence program accepted by the NBRC and any of the following activities:

- (1) Successful completion of a college-level course related to respiratory care, as further described in Plc 1507.07;
- (2) Successful completion of live programming such as courses, programs, workshops, and seminars, as further described in Plc 1507.08;
- (3) Passing specialty examinations, as further described in Plc 1507.09;
- (4) Public professional presentations relating to respiratory care, as further described in Plc 1507.10;
- (5) Participation in a respiratory care research project, as further described in Plc 1507.11;
- (6) Taking and passing courses for initial or renewal certification, as further described in Plc 1507.12;
- (7) Participation as an instructor or instructor trainee in one of the courses for initial or renewal certification that qualify under (6), above, as further described in Plc 1507.13;
- (8) Teaching a college-level course relating to respiratory care, as further described in Plc 1507.14;
- (9) Facility-based respiratory care in-service training, as further described in Plc 1507.15;
- (10) Publication of writing related to respiratory care, as further described in Plc 1507.16;
- (11) Participation in the work of professional boards and committees, as further described in Plc 1507.17; and
- (12) Completing a self-directed study program, as further described in Plc 1507.18.

Readopt with amendments Plc 1507.05, eff. 05-22-23 (doc. #13621), to read as follows:

Plc 1507.05 Documentation Requirements; Audits.

(a) Upon being notified by the OPLC that an on-line system administered by a third-party organization is available to manage continuing competence compliance, each licensee shall use the on-line system to track and report the completion of continuing competence activities.

(b) Each licensee shall retain documentation of participating in continuing competence activities as described for the specific course or activity for not less than the current license period and most recent renewal period, provided that documentation may be retained in the on-line system once available.

(c) The executive director shall audit licensee participation in continuing competence activities by:

(1) Randomly selecting 10% of licensees each year to be audited; and

(2) Notifying each selected licensee of the audit by email sent to the licensee's designated email address.

(d) The notice sent pursuant to (c)(2), above, shall direct the licensee to submit documentation to support the continuing competence activities claimed by the licensee for the most recent renewal period to the executive director by a specified date, which shall be no sooner than 30 days from the date of the notice.

(e) In response to the notice, a licensee selected for audit shall submit the following to the executive director no later than the date specified in the notice:

(1) The documentation required by Plc 1507.07 through Plc 1507.18, as applicable to the type of activity; or

(2) For any time period covered by the on-line system, a copy of the on-line records, subject to (f), below.

(f) In lieu of submitting a copy of the on-line records, a licensee selected for audit may provide the executive director with direct access to the on-line records.

(g) Failure to submit documentation when directed to do so shall constitute a violation of these rules.

Plc 1507.06 Waivers of Continuing Professional Education Requirements for Active Military Service. The executive director shall issue the following waivers of the requirements of Plc 1507.04 for licensees on active military duty:

(a) A full waiver of all obligation set forth in Plc 1507.04 for a licensee who:

(1) Is or will be on active military duty for 80% or more of the licensing period; and

(2) Submits a request for the waiver and proof of the obligation to serve active military duty in the form of verification from the Defense Finance and Accounting Service at <https://www.dfas.mil/garnishment/verifyservice/>; and

(b) A waiver of half of the obligation set forth in Plc 1507.04 for a licensee who:

(1) Is or will be on active military duty for more than 50% but less than 80% of the license period; and

(2) Submits a request for the waiver and proof of the obligation to serve active military duty in the form of verification from the Defense Finance and Accounting Service at <https://www.dfas.mil/garnishment/verifyservice/>.

Plc 1507.07 College-Level Courses Relating to Respiratory Care.

(a) A licensee may claim credit towards the continuing competence requirement for successfully completing a college-level course relating to the topics listed in Plc 1507.04(b) and (c), provided that:

- (1) The course is given as part of a program or curriculum with the potential to lead to an academic degree higher than that held by the licensee at the time of first eligibility for initial licensure;
- (2) The course adds to the professional knowledge or skill of the licensee as shown in a written summary of the new information or skill the licensee acquired during the course; and
- (3) The licensee achieves in the course a letter grade of C or better or a numerical grade of 2.00 or better on a 4-point scale, or the equivalent on any other point scale.

(b) The licensee may claim one contact hour for each course credit awarded by the college or university.

(c) Documentation of successful completion of a college-level course relating to the topics listed in Plc 1507.04(b) and (c) shall be:

- (1) An official transcript showing:
 - a. The name of the course;
 - b. The date of the course; and
 - c. The grade assigned to the licensee;
- (2) One of the following descriptions of the course:
 - a. The description of the course copied from the college or university catalogue; or
 - b. The course syllabus; and
- (3) The licensee's written summary of the new information or skill that the licensee acquired by taking the course.

Plc 1507.08 Courses, Programs, Workshops, and Seminars.

(a) A licensee may claim credit towards the continuing competence requirement for successfully completing live programming such as courses, programs, workshops, and seminars that are:

- (1) Any course or program approved or sponsored by AARC;
- (2) Non-AARC courses, workshops, and seminars that are:
 - a. Related to the topics listed in Plc 1507.04(b) and (c); and
 - b. Sponsored or provided by any statewide, regional, or national professional respiratory care organization or any federal agency, including but not limited to the Federal Emergency Management Agency; or
- (3) Non-AARC courses that are:
 - a. Related to the topics listed in Plc 1507.04(b) and (c); and

b. Approved by the accreditation council for continuing education of the American Medical Association, the American Heart Association, or the American Academy of Pediatrics.

(b) The licensee may claim as credit for completing a course, program, workshop, or seminar described in (a), above, the same number of contact hours attributed to it by the provider or sponsor.

(c) Documentation of successful completion of a course or program described in (a), above, shall be a document showing:

- (1) The licensee's name;
- (2) The name and location of the course or program;
- (3) The name of the provider or sponsoring entity;
- (4) The beginning and ending date(s) of the course or program;
- (5) The name of each speaker or instructor;
- (6) The number of hours credited by the provider or sponsoring entity; and
- (7) The printed name and signature of the speaker, instructor, or representative of the provider or sponsoring entity.

(d) Documentation of successful completion of a workshop or seminar described in (a), above, shall be the licensee's certificate of completion.

Plc 1507.09 Specialty Examinations.

(a) A licensee may claim credit towards the continuing competence requirement for passing any of the following specialty examinations that the licensee has not previously passed, provided the examination is for credentials that are a more advanced category than the licensee currently holds:

- (1) NBRC registered respiratory therapist examination;
- (2) NBRC pulmonary function technologist examination;
- (3) NBRC neonatal and pediatric respiratory care specialty examination;
- (4) NBRC sleep disorders testing and therapeutic intervention respiratory care specialist examination;
- (5) NBRC adult critical care specialist examination;
- (6) Extracorporeal Life Support Organization (ELSO) Adult ECMO Certification (E-AEC) examination; and
- (7) National Certification Corporation Certified in Neonatal Pediatric Transport (C-NPT) examination.

(b) The licensee may claim 12 contact hours for each specialty examination passed.

(c) Documentation of passing one of the specialty examination described in (a), above, shall be the certifying organization's notification stating that the licensee passed the examination.

Plc 1507.10 Public Professional Presentations Relating to Respiratory Care.

(a) A licensee may claim credit towards the continuing competence requirement for public professional presentations relating to respiratory care, including at workshops, lectures, and in-service trainings.

(b) The licensee may claim 2 contact hours for each clock hour of a public presentation, to a maximum of 8 contact hours per renewal period, provided that if the licensee gives substantially the same public presentation more than once, the licensee shall claim credit for a single presentation only.

(c) Documentation of a public professional presentation relating to respiratory care shall be:

- (1) A copy of the official program of the presentation; or
- (2) Written verification signed by a representative of the program's sponsor showing:
 - a. The title of the presentation;
 - b. The name of the licensee as presenter;
 - c. The name of the sponsor's representative who signed the verification;
 - d. The date of the presentation;
 - e. The hours during which the presentation took place; and
 - f. The type of audience attending the presentation.

Plc 1507.12 Taking and Passing Courses for Initial or Renewal Certification.

(a) A licensee may claim credit towards the continuing competence requirement for taking and passing one or more courses for initial or renewal certification in:

- (1) Basic life support for health care providers (BLS), comprising a course for health care providers sponsored by the American Heart Association in the techniques of cardio pulmonary resuscitation;
- (2) Advanced cardiac life support (ACLS), comprising a course sponsored by the American Heart Association in the therapeutic interventions used in cases of cardiac arrest;
- (3) Pediatric advanced life support (PALS), comprising a course in advanced techniques in the resuscitation of children sponsored by the American Academy of Pediatrics; or
- (4) Neonatal resuscitation program (NRP), comprising a course sponsored by the American Academy of Pediatrics in the techniques of resuscitation of newborn babies.

(b) The licensee may claim the following:

- (1) For taking and passing a BLS initial certification course, 8 contact hours;
- (2) For taking and passing a BLS renewal certification course, 4 contact hours;
- (3) For taking and passing an ACLS initial certification course, 16 contact hours;
- (4) For taking and passing an ACLS renewal certification course, 8 contact hours;
- (5) For taking and passing a PALS initial certification course, 16 contact hours;
- (6) For taking and passing a PALS renewal certification course, 8 contact hours;
- (7) For taking and passing an NRP initial certification course, 16 contact hours; and
- (8) For taking and passing an NRP renewal certification course, 8 contact hours.

(c) Documentation of taking and passing one of the courses listed in (a), above, shall be:

- (1) The certification card showing that the licensee has taken and passed the course; or
- (2) A certificate of course completion issued by the course sponsor.

Plc 1507.13 Participation as an Instructor or Instructor Trainee in Courses for Initial or Renewal Certification.

(a) A licensee may claim credit towards the continuing competence requirement for participation as an instructor or instructor trainee in courses for initial or renewal certification in:

- (1) BLS;
- (2) ACLS;
- (3) PALS; or
- (4) NRP.

(b) The licensee may claim the following:

- (1) For participation as an instructor or instructor trainee in a BLS initial certification course, 8 contact hours;
- (2) For participation as an instructor or instructor trainee in a BLS renewal certification course, 4 contact hours;
- (3) For participation as an instructor or instructor trainee in an ACLS initial certification course, 16 contact hours;

Plc 1507.18 Completing Self-Directed Study Programs.

(a) A licensee may claim credit towards the continuing competence requirement for successfully completing a self-directed study program relating to the topics listed in Plc 1507.04(b) and (c), provided that:

- (1) The program adds to the professional knowledge or skill of the licensee; and
- (2) The licensee passes the examination given at the end of the program.

(b) The licensee may claim as credit for completing a self-directed study program the same number of contact hours attributed to it by the provider or sponsor.

(c) Documentation of successful completion of a self-directed study program shall be a document showing:

- (1) The licensee's name;
- (2) The name of the course or program and the standard duration of the program, in hours;
- (3) The name of the provider or sponsoring entity;
- (4) The date the licensee completed the program;
- (5) The number of hours credited by the provider or sponsoring entity; and
- (7) Confirmation that the licensee passed the examination at the end of the program.

PART Plc 1508 LICENSE RENEWAL AND REINSTATEMENT

Plc 1508.01 Eligibility for License Renewal. To be eligible for renewal of a license to practice respiratory care, an individual shall have:

- (a) Maintained NBRC credential(s);
- (b) Accrued the hours of continuing education required by Plc 1507.04;
- (c) Paid all monetary penalties imposed in New Hampshire, if any;

(d) Not been determined through an adjudicative process of having violated this chapter or the licensure requirements of any other jurisdiction in which the licensee is currently licensed;

(e) Not been convicted in the prior 27 months of any misdemeanor or felony arising from circumstances that demonstrate poor professional character; and

(f) Meet the eligibility for renewal criteria specified in Plc 308.02.

Plc 1508.02 Notification of Pending License Expiration.

(a) At least 60 days prior to the expiration of a license issued pursuant to RSA 326-E and Plc 1500 or rules of the predecessor board, the licensing bureau shall:

(1) Notify, in writing to the licensee's designated email address, each licensee whose license is expiring that:

a. The license is due to expire; and

b. Failure to file a complete and timely application for renewal shall result in the license expiring; and

(2) Include with the notice a copy of the renewal application identified in Plc 1508.03(a) or, when the application becomes available on-line, a registration code for the licensee to use to renew on-line, if a code is necessary for on-line renewal.

(b) A licensee who wishes to renew the license who does not receive an application or registration code shall contact OPLC customer support at CustomerSupport@oplc.nh.gov to obtain an application or code, as applicable.

(c) As provided in RSA 541-A:30, I and RSA 310:8, II, if a timely and complete renewal application is filed, the license shall continue as valid until final action is taken on the application for renewal.

(d) A licensee whose license has expired shall not practice respiratory care in New Hampshire until the license has been reinstated.

Plc 1508.03 Application for License Renewal. A licensee who wishes to renew the license shall submit to the licensing bureau:

(a) A completed "Universal Application to Renew License" dated April 2023, as tailored for respiratory care licenses, that provides the information required by Plc 308.06 and is signed and attested to as specified in Plc 308.08;

(b) The information and documentation required by Plc 308.07 and Plc 1508.04;

(c) The information and attestation relative to meeting continuing competence requirements, as specified in Plc 1508.05; and

(d) The application processing and licensing fee specified in Plc 1002, provided that active duty military and military spouses shall not pay the renewal application fee.

Plc 1508.04 Documentation Required for Renewal Application. In addition to the information and documentation required by Plc 308.07, the applicant shall submit documentation of current NBRC credential(s).

Plc 1508.08 Review of Complete Applications for Renewal Licensure; Decisions.

- (a) The licensing bureau shall review complete applications as provided in Plc 308.11.
- (b) The licensing bureau shall issue a renewal license if the applicant:
 - (1) Has submitted a renewal application in accordance with Plc 1508.03 that shows that the applicant meets the requirements for renewal stated in Plc 1508.01; and
 - (2) Has not been determined through an adjudicative proceeding of having violated any provision(s) of RSA 326-E and Plc 1500.
- (c) The licensing bureau shall notify the applicant of the decision on the renewal application in writing sent to the applicant's designated email address.
- (d) If the licensing bureau determines that the applicant has not demonstrated that all requirements to renew a license are met, then:
 - (1) The licensing bureau shall conditionally deny the application; and
 - (2) The notice sent pursuant to (c), above, shall inform the applicant that the denial shall become final in 30 days unless the applicant requests a hearing in writing within 30 days.
- (e) If the application is denied, the license renewal application processing fee shall not be refunded.

Plc 1508.10 Renewal Licenses: Issuance and Duration.

- (a) Each renewal license to practice respiratory care issued by the OPLC shall specify:
 - (1) The name of the licensee;
 - (2) The effective dates of the license; and
 - (3) The license number.

(b) Renewal licenses shall:

- (1) Be valid for 2 years, provided that the timely filing of a complete renewal application shall continue the validity of the license being renewed until final action is taken on the renewal application;
- (2) Expire on the last day of the month in which the license was issued unless a timely and complete renewal application is filed or the license is sooner suspended or revoked pursuant to Plc 1510; and
- (3) Be subject to renewal biennially.

Plc 1508.12 Reinstatement of a License Previously Suspended or Revoked.

(a) An individual whose license was suspended pursuant to Plc 1510, or whose license was suspended by the New Hampshire respiratory care practitioners governing board prior to July 19, 2022, who wishes to have the license reinstated shall:

- (1) If the request is made before the expiration date of the suspended license, submit a written request to the licensing bureau that demonstrates compliance with all conditions of the suspension order and plan of correction, including completing any additional continuing competence activities and paying any monetary penalties imposed, but not paying an additional fee; or
- (2) If the request is made after the expiration date of the suspended license:
 - a. Submit an application for renewal, including demonstrating that continuing competence requirements have been met;
 - b. Pay all monetary penalties imposed, if any;
 - c. Pay the costs associated with the suspension, if imposed pursuant to RSA 310-A:1-m, VI or other applicable law; and
 - d. Demonstrate that all conditions imposed in the suspension order have been met.

(b) An individual whose license was revoked pursuant to Plc 1510, or whose license was revoked by the New Hampshire respiratory care practitioners governing board prior to July 19, 2022, who wishes to have the license reinstated shall:

- (1) Submit an application for renewal licensure in accordance with Plc 1508.03, including demonstrating that the applicant has met the requirements for continuing competence;
- (2) Pay all monetary penalties imposed, if any;
- (3) Pay the costs associated with the revocation, if imposed pursuant to RSA 310-A:1-m, VI or other applicable law; and
- (4) Demonstrate that all conditions imposed in the revocation order and plan of correction have been met.

(c) If the executive director makes a preliminary determination based on the materials submitted by the applicant that the applicant does not qualify for a license or does not qualify for an unrestricted license, the executive director shall initiate an adjudicative proceeding pursuant to Plc 200 to determine whether to deny the application or to reinstate the license with conditions.

(d) A license shall not be granted to an individual who previously held a license whose license was suspended or revoked unless and until the individual has:

- (1) Complied with each requirement that is part of the suspension or revocation order;
- (2) Paid all monetary penalties imposed and the costs associated with the suspension or revocation, if imposed pursuant to RSA 310-A:1-m, VI or other applicable law; and
- (3) Demonstrated that all other requirements for a renewal license have been met.

Plc 1509.03 Additional Licensee Obligations. Each individual to whom these standards apply shall:

- (a) Comply with RSA 326-E, Plc 307.04 as effective May 1, 2023, reprinted in Appendix D, and Plc 1500;
- (b) Obey in good faith, and within any time periods specified, any disciplinary or remedial orders issued by the executive director;
- (c) Interact with colleagues and patients with honesty and integrity;
- (d) Not misrepresent professional qualifications or credentials;
- (e) Cooperate with inspections and with lawful investigations by the OPLC;
- (f) Treat all individuals with whom the person interacts in a professional capacity with respect and civility;
- (g) Maintain sexual boundaries by:
 - (1) Refraining from any behavior that exploits the practitioner-patient relationship in a sexual way; and
 - (2) Avoiding any behavior that is sexual or sexually demeaning, or that could be reasonably interpreted as such, even when initiated by or consented to by a patient or colleague;
- (h) Not engage in hazing or sexual, verbal, or physical harassment of any individual when interacting in a professional capacity; and
- (i) Not discriminate based on age, sex, gender identity, race, creed, color, marital status, familial status, physical or mental disability, or national origin.

PART Plc 1510 PROCEDURES; DISCIPLINARY PROCEEDINGS

Plc 1510.01 Rules of Practice and Procedure. The rules in Plc 200 shall govern:

- (a) The receipt of misconduct complaints and the investigation thereof;
- (b) The conduct of disciplinary proceedings, including emergency proceedings;
- (c) Waivers of rules;
- (d) Voluntary surrender of licenses; and
- (e) Any other procedures not included in this chapter.

Plc 1510.02 Procedures for License Suspension or Revocation.

(a) If the executive director, after investigation conducted pursuant to Plc 200, determines that credible evidence exists that a licensee has violated a requirement of RSA 326-E or Plc 1500, the executive director shall initiate a disciplinary proceeding pursuant to Plc 200.

(b) After notice and an opportunity for a hearing, the executive director shall:

(1) Require the licensee to participate in a program of continuing education in the area or areas in which the licensee was found to be deficient if, for each violation, the violation was committed unknowingly, the licensee has no prior history of violations, and no harm was threatened or caused by the violation;

(2) Issue a reprimand and require the licensee to submit a plan of correction if, for each violation, the violation was committed negligently, the licensee has no prior history of violations, and no harm was threatened or caused by the violation;

(3) Suspend the license, if any violation was committed negligently, no serious harm was threatened or caused by the violation, and the licensee has been found to have committed one or more additional violations within the preceding 2 years; or

(4) Revoke the license, if:

a. Any violation was committed recklessly or knowingly;

b. Serious harm was caused by any violation; or

c. The licensee fails to comply with the conditions for the removal of a suspension within the time period specified in the suspension order.

Plc 1510.03 Conditions of License Suspension or Revocation.

(a) If a license is suspended or revoked, the licensee shall prepare and submit a plan of correction to address each violation that provided a basis for the disciplinary proceeding.

(b) The executive director shall review the submitted plan of correction and:

(1) Approve the plan, if it:

a. Addresses each violation that provided a basis for the disciplinary proceeding; and

b. Identifies one or more specific actions that the license will take and specifies a deadline for taking each action that is reasonable given the nature of the action to be taken; or

(2) Return the plan to the licensee for revision and resubmission if the plan does not meet the requirements for approval specified in (1), above.

(c) A licensee whose license was suspended may request the license to be reactivated after the conditions specified in the suspension order have been met in accordance with Plc 1508.12(a).

(d) An individual whose license has been revoked and who wishes to reapply for a license shall apply as for license reinstatement in accordance with Plc 1508.12(b).

(e) A license shall not be granted to an individual who previously held a license but whose license was revoked unless and until the individual has complied with the requirements on which the revocation was based and has paid the costs associated with the revocation, if imposed pursuant to RSA 310-A:1-m, VI or other applicable law.

APPENDIX C: STATUTORY DEFINITIONS AND EXEMPTIONS FROM LICENSURE

326-E:1 Definitions

II. "Certified pulmonary function technician" or "CPFT" means a person having successfully completed and achieved a passing score on the entry level examination in pulmonary function and maintained the related credential issued by the National Board for Respiratory Care, Inc.

III. "Consultation by telecommunication" means that a respiratory care practitioner renders professional or expert opinion or advice via telecommunications or computer technology from another location. It includes the transfer of data or exchange of educational or related information by any means of audio, video, or data communications.

IV. "National Board for Respiratory Care, Inc." or "NBRC" means the national voluntary health certifying board that evaluates the professional competence of respiratory therapists and pulmonary function technicians, or its successor organization.

VIII. "Registered polysomnographic technologist" or "RPSGT" means a person having successfully completed and achieved a passing score on the comprehensive registry examination for polysomnographic technologists administered by the Board of Registered Polysomnographic Technologists or its successor organization.

IX. "Registered pulmonary function technologist" or "RPFT" means a person having successfully completed and achieved a passing score on the advanced level examination in pulmonary function and maintained the related credential issued by the National Board for Respiratory Care, Inc.

X. "Respiratory care" means the treatment, management, diagnostic testing and evaluation of responses to respiratory or medical treatment and care of individuals or groups of individuals either having deficiencies or abnormalities of the cardiopulmonary system or requiring support of the cardiopulmonary system. Respiratory care is given in accordance with the prescription of a physician, nurse practitioner, or physician assistant. Respiratory care includes the implementation of respiratory care strategies and modalities, and the administration of pharmacological, diagnostic, and therapeutic agents necessary to implement a treatment, disease or injury prevention, rehabilitative or diagnostic regimen. Respiratory care includes, but is not limited to: initiating emergency procedures; providing health counseling and teaching; assembly, repair, testing and maintenance of respiratory equipment; and those respiratory care activities that require a substantial amount of scientific knowledge or technical skill.

XI. "Respiratory care educational program" means a program accredited by the American Medical Association's Committee on Allied Health Education and Accreditation in collaboration with the Joint Review Committee for Respiratory Therapy Education, by the Committee on Accreditation for Respiratory Care, or by the Commission on Accreditation of Allied Health Education Programs, or their successor organizations.

XII. "Respiratory care practitioner" means a person who is:

(a) Licensed in the practice or performance of respiratory care who has the knowledge and skill necessary to administer the functions defined in paragraph X of this section.

(b) Capable of serving as a resource in relation to the clinical and technical aspects of respiratory care as to the safe and effective methods for administering respiratory care modalities.

(c) Able to function in situations of unsupervised patient contact requiring individual judgment.

(d) Capable of supervising, directing, and teaching less skilled personnel in the provision of respiratory care services.

RSA 326-E:6 Exemptions From Licensure. –

I. This chapter shall not prohibit:

(a) A person matriculated in an education program approved by the board who is pursuing a degree in respiratory care or respiratory therapy from satisfying supervised clinical education requirements related to the person's respiratory care education while under direct supervision of a respiratory care practitioner or physician.

(b) A respiratory care practitioner from practicing in the Armed Forces, federal public health services, or the Department of Veterans Affairs, pursuant to federal regulations of health care providers.

(c) A respiratory care practitioner who is licensed in another jurisdiction of the United States from providing consultation by telecommunication.

(d) A respiratory care practitioner who is licensed in another jurisdiction of the United States or foreign educated respiratory care practitioner credentialed in another country from practicing respiratory care in conjunction with teaching or participating in an educational seminar of no more than 60 days in a calendar year.

(e) Respiratory care performed as part of a limited scope of practice, as defined by the executive director, in consultation with the advisory board, by certified pulmonary function technicians (CPFT), registered pulmonary function technologists (RPFT) or registered polysomnographic technologists (RPSGT) in a diagnostic laboratory or research setting.

(f) Respiratory care rendered in an emergency.

(g) Self care by a patient or gratuitous care by family members or friends who do not represent themselves as respiratory care practitioners.

(h) A respiratory care practitioner who is licensed in another jurisdiction of the United States or foreign educated respiratory care practitioner credentialed in another country from practicing respiratory care in conjunction with the interfacility transport of a critically ill patient.

(i) A polysomnography trainee from fulfilling the training and experiential clinical requirements established by the Board of Polysomnographic Technologists for eligibility for the RPSGT examination, while working under the indirect supervision of a physician, a respiratory care practitioner, or a RPSGT.

II. This chapter shall not restrict a person licensed under any other law of this state from engaging in the profession or practice for which that person is licensed if that person does not represent, imply, or claim that he or she is a respiratory care practitioner or a provider of respiratory care.

APPENDIX D: PLC 307.04 AS EFFECTIVE MAY 1, 2023

Plc 307.04 Obligations of Persons Subject to These Rules.

(a) Each person subject to these rules shall comply with all applicable law.

(b) In any application or other document filed with, or statement made to, the licensing bureau or the applicable board, each person subject to these rules shall provide information that, to the best of the person's knowledge and belief, is true, complete, and not misleading.

(c) Each person subject to these rules shall cooperate with investigations and requests for information from the OPLC and the applicable board, wherein "cooperate" means to provide the information requested, answer any questions posed, and allow inspections in order to enable the OPLC or applicable board to determine compliance with applicable law.

(d) Each person subject to these rules shall provide honest and accurate information in reports prepared as part of practicing the profession in which the person is authorized to practice.

(e) Each person subject to these rules shall report evidence of professional misconduct on the part of another licensee when that conduct poses a potential threat to life, health, or safety.

(f) Each person subject to these rules shall maintain sexual boundaries by:

(1) Refraining from any behavior that exploits the professional-client or professional-patient relationship in a sexual way; and

(2) Avoiding any behavior that is sexual, seductive, suggestive, or sexually demeaning, or could be reasonably interpreted as such, even when initiated by or consented to by the target of the behavior.

(g) Each person subject to these rules shall be truthful in publicly representing or advertising himself or herself by avoiding the following:

(1) False, deceptive, or misleading statements;

(2) Unreasonable or exaggerated claims of success;

(3) Guarantees of success;

(4) Claims or implications of professional superiority or of training that cannot be substantiated; and

(5) Unsubstantiated claims of expertise or certification of such in any specific areas of the scope of practice set forth in applicable law.

(h) Each person subject to these rules shall interact with colleagues and clients with honesty and integrity.

(i) No person subject to these rules shall misrepresent professional qualifications or credentials.

(j) Each person subject to these rules shall treat all individuals with whom the person interacts in a professional capacity with respect and civility.

(k) No person subject to these rules shall engage in hazing or sexual, verbal, or physical harassment of any individual when interacting in a professional capacity.

(l) No person subject to these rules shall discriminate based on age, sex, gender identity, race, creed, color, marital status, familial status, physical or mental disability, or national origin, or any additional class protected by law.
