12. Acupuncture Education:

The standard education requirement for licensure in New Hampshire is successful completion of a post-secondary United States Acupuncture College or University that was ACAOM accredited or in candidacy status for accreditation on the date you graduated. You may still qualify if your acupuncture education was received at a United States School that was not ACAOM accredited or in candidacy status on the date you graduated or from any foreign school or if you received your acupuncture education in an apprenticeship. If your acupuncture education was approved by the NCCAOM in earning your Certification in Acupuncture or Oriental Medicine, a waiver process exists.

**YOU MUST CHECK ONE OF THE FOLLOWING FOUR OPTIONS**

- A. I received my acupuncture education from a post-secondary United States acupuncture college that was ACAOM accredited or in candidacy status for accreditation on the date I graduated. (If you have any question about the accreditation status of your school at the time you graduated, call your school for clarification.)
B. I received my acupuncture education from

- 1. a United States School that was not ACAOM accredited or
- 2. from a foreign school.

My education has been evaluated and approved by NCCAOM in earning my Certification in Acupuncture or Oriental Medicine.

**NOTE:** You must arrange to have original transcripts from each acupuncture school attended sent directly to the Board.

C. I received my acupuncture education in an apprenticeship. My education has been evaluated and approved by NCCAOM in earning my Certification in Acupuncture or Oriental Medicine.

You must complete Apprenticeship section below and send all documentation required below.

D. I am applying for a waiver of the acupuncture education requirement, as I do not fall into any of the above categories.

**NOTE:** You are required to submit a completed “Request for Waiver of the Standard Acupuncture Education Requirement” form attached.

5. Treatment planning;
6. Treatment technique;

If you feel that the apprenticeship program under which you studied meets these criteria, please describe it on a separate sheet of paper attached marked “14.D  Apprenticeship. The form for documentation would be a copy, sent directly from the NCCAOM, of all materials that you filed with the NCCAOM in order to sit for the certification examination. It is your further responsibility to make sure that material meets all of the above criteria. If it does not specify the content of what you studied as spelled out in b. above, you will need to provide further documentation such as a sworn statement from your preceptor as to the content of your acupuncture curriculum.

14. (a) List other states and countries in which you are currently licensed, or otherwise allowed to practice acupuncture.
