

Amend Mhp 501.02, effective 2-24-15 (Document #10790), as amended effective 3-30-18, by inserting paragraph (d), cited and to read as follows:

Mhp 501.02 Code of Ethics.

(d) Notwithstanding the provisions of the ethical codes in (a) above, during the State of Emergency declared by the Governor, a New Hampshire licensed mental health provider will not be disciplined in New Hampshire for providing inter-state services through telehealth, consistent with the requirements for telehealth set forth in the Governor’s Emergency Order #8, dated March 18, 2020, and the Governor’s Emergency Order #15, dated March 23, 2020. Before providing such services, licensees shall review the laws and rules of the jurisdiction where the client is receiving the services to determine whether the licensee needs to also be licensed in that jurisdiction.
