Nur 101.04 “Clinical Experience” means practice in an inpatient, ambulatory care, or community setting where the student provides care to patients under the guidance of a nursing instructor or preceptor.

(a) Clinical Experience may be substituted with simulation and lab work during a State of Emergency Declared by the Governor that impacts clinical site availability; provided, however, the Board of Nursing is notified within twenty-four (24) hours of such substitution. “Simulation” means a technique, not a technology, to replace or amplify real experiences with guided experiences that evoke or replicate substantial aspects of the real world in a fully interactive manner.
