Absent: Puneet Kochhar, DMD

1. February 5, 2018 DHC meeting minutes were approved.
2. Administration of Nitrous Oxide Online Form. Margaret Ray will revise wording as discussed by committee today and submit Recommendation Form to board recommending the change for the April board meeting.
3. The Dental Hygiene check list was approved by the board at the February meeting. A framework for the checklist was devised today. Sections from the amended January 1, 2017 NH Code of Administrative Rules were reviewed and sample questions were discussed. Barbara Stowers volunteered to organize the checklist with questions submitted to her by DHC members before the April meeting. Further discussion will take place at the April meeting. All present agreed the check list cannot be finalized until the new rule package is available and we will have to cross reference for accuracy.

Meeting was adjourned by Margaret Ray at 2:50.
