

**BOARD OF LICENSURE FOR PROFESSIONAL ENGINEERS MINUTES**

There was a meeting of the Board of Licensure for Professional Engineers held on February 22, 2019. The meeting was called to order at 9:00 a.m. by Chairman C. Mullevey. Also in attendance were M. Morin, R. Cook, A. Azodi and C. Ackroyd. Board staff present was Christine Horne and Joe Shoemaker.

**1. Interview/meeting** – Roster and areas of expertise- review documents from Charles Cote. Starting at 9:15 a.m. Charles Cote discussed with the Board why he feels he should get the Fire Protection designation added to the roster. He left 9 binders behind for the Board to review. Board members asked him specific questions relating to his experience. The Board tried to make clear that a listing of codes from a handbook does not show the Board specific examples of his work. Based on the Fire Protection exam that is given by NCEES Mr. Cote would only have a portion of the required criteria covered. The Board will discuss Mr. Cotes request at the next meeting after they have had time to review the binders.

Mr. Cote left the meeting at 10:07 a.m.
