LICENSING INSTRUCTIONS:

1. Complete the Board of Medical Imaging and Radiation “Application For Initial Licensure” form in its entirety.

   If a question does not apply to you mark the space with an N/A.

   Print clearly or type the information. If we can’t read it, it will be returned to you.

   If your application is not complete or cannot be read it will be returned to you to be corrected.

2. If an applicant is applying for more than one modality they will submit one form listing each modality they wish to have on their license and one fee ($110.00). Supporting documents that are not the same between each modality must be submitted for each separate modality. Example if an applicant had 2 licenses in a State they would submit one criminal record report but 2 verifications of licensure (one verification for each license type/modality).

3. When submitting the application be sure to enclose a check or money order in the amount of $110. The check must be made payable to “Treasurer, State of New Hampshire”.

4. Send both the completed application and check in the amount of $110 to the Board of Medical Imaging and Radiation Therapy at the Philbrook Building, 121 South Fruit Street, Concord NH 03301.

5. You may submit your application and fee and then you may provide any of the required documents.

6. For a list of documents required for each modality see the Board’s web site under “Application Forms”

   Criminal Background checks must be done by the applicant under all names they have ever been known by. The Background check cannot be an FBI check because it is illegal for the Board to accept them at this time.

   The verification of State licensure or authorization to practice can be done by the State on an official letter issued by the State or by using the form we have provided on our web site. THE VERIFICATION MUST COME DIRECTLY FROM THEM TO US.
7. Your application and supporting documents will be reviewed by Board staff. If all information is exactly as described in the Board’s Administrative Rules your license will be issued.

If there is a criminal history or any information that is different than what is explicitly stated in the Board’s rules your file will be brought before the Board for review.

An application approved outside a Board meeting will be brought before the Board for final review and to have the approval ratified.

If the Board needs additional information the licensee will be given 15 days to provide that information to the Board’s office.

8. An initial license shall expire on the last day of the licensee’s month of birth in the second year following the year of issuance.

After the first renewal licenses expire every two years on the last day of the licensee’s month of birth.
