2. Rules:

a. Review Final Proposal on Mirt 400

Thomas Broderick OPLC rules attorney began by stating he had previously sent the board the written testimony that was received as well as the comments he had received from JLCAR for the board to review. Written responses were sent in by Kathy Bizarro-Thunberg from NH hospital and from Frederick Olive technical Director at Dartmouth Hitchcock. Courtney Tanner attended the meeting on behalf of Dartmouth Hitchcock. Tom Broderick then continued with reviewing the JLCAR comments and explained he had corrected the grammatical errors. In addition asked for the Boards assistance on the below sections

1. Mirt 404.02 Misconduct

(e) Engaging in sexual misconduct with, or sexual harassment of, a patient;

JLCAR recommended sexual harassment be removed. Tom discussed with the board that since sexual misconduct is clearly defined and encompasses sexual harassment he agreed with the recommendation and the Board therefore agreed as well.

2. Mirt 406.11 Receipt of Radiation Safety education
(a)The board shall recognize as maintenance of continuing competence the successful completion by a licensee of a radiation safety course
JLAR commented that this was unclear. The board agreed to have Tom add verbiage to state proof of completion.

The Board then reviewed the written testimony that was submitted. Courtney Tanner from Dartmouth Hitchcock addressed the board regarding their concerns regarding required CEUs to correspond with CEUs from credentialing requirements. After discussion it was determined that this topic would have to go before legislation for adjust and would be reviewed again in the future.

The Board continued with Tom reviewing for the Board the written testimony from Kathy Bizarro-Thunberg from NH hospital with focus on Mirt 402.07 asking what an acceptable alternative to a certification card is. The Board agreed to have Tom add verbiage of clarification a suggestion being; "certification card or other means of verifiable documentation". The other concern was in regards to SB729 which would requires an FBI criminal history check. The Board agreed if this passes legislation a rule change would need to occur.

The Board then voted with a motion from Richard Serino and a second by Winslow Whitten to approve the final amended draft of Mirt 400 rules.

ADJOURN: on motion by Jocelyn Chertoff with a second by Winslow Whitten, the motion to adjourn at 9:01 A.M. carried in the affirmative.
