Board of Medicine
Concord, New Hampshire

In the Matter of:  
Christopher Kirby, MD  
License No. 8450  
(Adjudicatory Proceedings)  

Docket No. 12-10

ORDER OF EMERGENCY LICENSE SUSPENSION  
AND NOTICE OF HEARING

1. RSA 329:18-b; RSA 541-A:30, III, and New Hampshire Board of Medicine Administrative Rule ("Med") 503.01 authorize the New Hampshire Board of Medicine ("Board") to suspend a license to practice medicine for no more than one hundred twenty (120) days pending completion of an adjudicatory proceeding, in cases involving imminent danger to life or health. In such cases, the Board must commence a hearing not later than 10 days after the date of the emergency order. If the Board does not commence the hearing within 10 days, the suspension order shall be automatically vacated. See, 541-A:30, III. The Board may not continue such a hearing without the consent of the licensee to the continuation of the emergency suspension. See, RSA 329:18-b and Med 503.01. Postponement of the proceeding is prohibited unless the licensee agrees to continue the suspension pending issuance of the Board’s final decision. See, RSA 329:18-b and Med 503.01.

2. Christopher Kirby, MD ("Dr. Christopher B. Kirby, M.D." or "Respondent"), holds an active license, No. 8450, issued on October 10, 1990, to practice medicine in the State of New Hampshire. Respondent practices medicine in Manchester, New Hampshire.

3. The Board has received information indicating that the continued practice of medicine by Dr. Kirby poses an imminent threat to life, safety and/or health, which warrants the
temporary suspension of Dr. Kirby's license to practice medicine pending a hearing on whether permanent and/or temporary disciplinary sanctions should be imposed. An investigation was conducted and a Report of Investigation was provided to the Board.

4. In support of this Order of Emergency License Suspension and Notice of Hearing, the Board alleges the following facts:

   A. Respondent had voluntarily entered the NH Professionals Health Program ("NPHP") in 2007. In August of 2008, Respondent had a positive alcohol screen. Respondent acknowledged several recent episodes of drinking.

   B. Following the August 2008 screen, Respondent agreed to stop working and subsequently entered into a Preliminary Agreement for Practice Restrictions with the Board.

   C. In the fall of 2008, Respondent entered into a new five-year contract with the NPHP. He completed a fifteen-month residential treatment program and was engaged in appropriate aftercare.

   D. In the fall of 2010, Respondent entered into a Settlement Agreement with the Board to resolve these underlying issues. Sanctions included a ten-year contract with the NPHP.

   E. On June 25, 2012, the Board received notification from the NPHP that Respondent had violated his contract by drinking alcohol. Respondent's June 14, 2012 screen was positive and he subsequently admitted to
consuming vodka on several occasions over the weekend of June 9, 2012.

An earlier screen (May 7, 2012) came back as diluted.

F. One week later, the Board received a second notice from the NHPHP, reporting that Respondent’s June 26, 2012 random urine screen came back positive.

G. The NHPHP attempted to contact Respondent immediately after this positive screen. He did not respond to these communications.

H. Upon receipt of the June 26, 2012 screen results, the NHPHP contacted Respondent and directed that he cease practicing medicine. Respondent did not respond to this communication.

5. Based upon the above information, the Board finds that the case involves imminent danger to life and/or health. Further, the Board believes there is a reasonable basis for both immediately suspending Respondent’s license on a temporary basis, and for commencing an expedited disciplinary proceeding against Respondent pursuant to RSA 329:18-b, 541-A:30, III, and Med 503.01.

6. The purpose of this proceeding will be to determine whether Respondent has engaged in professional misconduct contrary to RSA 329:17, VI and RSA 329:18-b, which warrants the continued imposition of a temporary license suspension, the imposition of permanent disciplinary sanctions, or both. The specific issues to be determined in this proceeding are:

A. Whether, on or about June 9, 2012, Respondent committed professional misconduct by consuming alcohol in violation of the terms of his NHPHP contract
and/or the terms of his 2011 Settlement Agreement, in violation of RSA 329:17, VI (b) and/or RSA 329:17, VI (d); and/or

B. Whether, on or about June 9, 2012, Respondent committed professional misconduct by failing to disclose to the NHPHP of his alcohol use, as required by his monitoring contract, in violations of RSA 329:17, VI (b) and/or RSA 329:17, VI (d); and/or

C. Whether, on or about June 26, 2012, Respondent committed professional misconduct by consuming alcohol in violation of the terms of his NHPHP contract and/or the terms of his 2011 Settlement Agreement, in violation of RSA 329:17, VI (b) and/or RSA 329:17, VI (d); and/or

D. Whether, on or about June 26, 2012, Respondent committed professional misconduct by failing to disclose to the NHPHP of his alcohol use, as required by his monitoring contract, in violations of RSA 329:17, VI (b) and/or RSA 329:17, VI (d); and/or

E. Whether on or between June 26, 2012 and July 2, 2012, Respondent committed professional misconduct by continuing to practice medicine despite a NHPHP directive to refrain from such practice, in violations RSA 329:17, VI (d); and/or

F. If any of the above allegations are proven, whether and to what extent, Respondent should be subjected to one or more of the disciplinary sanctions authorized by RSA 329:17, VII.

7. While RSA 329:18-a requires that the Board furnish Respondent at least fifteen days' notice of allegations of professional misconduct and the date, time and place of an
adjudicatory hearing, RSA 541-A:30, III and Med 503.01 require the Board to commence an
adjudicatory hearing within ten (10) days after the date of an immediate, temporary license
suspension order.

8. The Board intends to complete this adjudicative proceeding within the one
hundred twenty (120) day time period provided by RSA 329:18-b and Med 503.01. Accordingly,
neither the date of the initial evidentiary hearing nor the date for concluding this proceeding shall
be postponed or extended unless Respondent agrees to continue the suspension period pending
issuance of the Board’s final decision in this matter. See RSA 329:18-b, 541-A:30, III, and Med
503.01.

THEREFORE, IT IS ORDERED that Respondent’s New Hampshire license to practice
medicine is immediately suspended until further order of the Board; and,
