To be licensed you must have the following applicable documents on file at the Board office or have met the following applicable requirements.

Check all lines that apply:

____ A current New Hampshire Registered Nurse license or a current, unencumbered license in a compact state.

____ A Criminal Record Report. You have followed Board directives found at: https://www.oplc.nh.gov/nursing/criminal-background-check.htm to comply with the latest FBI fingerprint and NH background check requirements. ____ If you hold a compact RN license, register with NURSYS and provide verification of your original nursing license. You can register online at www.nursys.com. If your original licensing state does not participate in NURSYS, you will need to request a paper verification to be sent to us from your original licensing state.
