STANDING ORDER
PROCEDURES FOR APPROVING SUBSTANTIVE WAIVERS UNDER
EMERGENCY RULE 210.01

Pursuant to Ph 210.01, adopted as an emergency rule on April 6, 2020, the Board of Pharmacy may waive substantive provisions of its rules either upon request from an interested person which meets the requirements of Ph 210.01(b) or upon its own motion under Ph 210.01(f).

This emergency rule was adopted to allow the Board to respond to the COVID-19 pandemic effectively – allowing the board flexibility with its rules and the ability to act quickly to combat this fast-moving pandemic. In order to move quickly, the Board hereby authorizes the Board President and a second Board Commissioner, chosen by the Chair due to their area of expertise, to preliminarily grant or deny waiver requests under Ph 210.01 as the requests are received. Any waivers preliminarily granted by the Board President and the second Board Commissioner are subject to review and ratification by the full Board at the next Board meeting.

This Standing Order was voted on by the Board at its April 6, 2020 meeting.

By Order of the Board;

Date: April 9, 2020

Helen Roman
Board President
