

Septic System Evaluators Board
Public Minutes
March 21, 2018
121 South Fruit Street, Concord, NH 03301

A meeting of the Septic System Evaluators was held on March 21, 2018. The meeting was called to order by Christopher Albert at 9:30. Those present were: Dawn Buker, Peter Rowell and C. Kent. Not present was Mark McConkey. Attending from the OPLC was Chris Horne. Tom Canfield and Peter Russell were present as members of the public.

1. Reading and approval of the February 21, 2018 Minutes- P. Rowell made a motion to approve the minutes from the February 21, 2018 meeting, C. Kent seconded, all in favor . Motion passes.

2. Communications General-

a. GSDI Conference- C. Albert let the Board know that we answered questions about licensing and system failure, as far as who can fail a system.

3. Communications- Board Action-

a. Set Date for Public Hearing on the 300s, 400s and 500s- The hearing on the rules will be on Tuesday May 15, 2018 at 9:30 a.m.

b. 200s –standard language for the 200s- C. Kent voted to approve the standard language for the 200s. D. Buker seconded, all in favor and motion passes.

c. 600- Purpose and Scope-The Board started to go over the draft that C. Albert put together. The discussion will continue at the next meeting. The work that was done will go to Attorney Lamberti to put into a draft for the Board to continue to work on at the next meeting.

d. NAWT Training- noted

e. E-mail from Jeffery A. Leighton- noted

4. Unfinished Business-

a. Approving Educators- see memo from GSDI- the Board is waiting until the 600s are approved before approving educators.

b. GSDI is waiting to see what are requirements are going to be for field testing as well for the written testing. They have scheduled the classroom training/ testing for May 8, 2018 and the May 19, 2018 for the field training and testing.

5. New Business-

Tom Canfield wants to be sure people pass when they are doing the GSDI testing. If a person has to take the field testing only, it will be GSDI's responsibility to be sure the people in the training are aware of NH's requirements prior to talking the course.

The Board will be approving the providers so they will be training to the Boards requirements.

Can the definition of an evaluation be altered to include any "component of a septic system"?
