3. Communications- Board Action- none

4. Unfinished Business-

a. 600- Purpose and Scope- the Board went over the draft and made corrections that are noted on the copy. This will be given to Attorney Lamberti to correct so the Board will have a cleaned up copy for next meeting.

b. More work needs to be done on the 600s Certified Testing Company. This section will be discussed at the next meeting. The Board discussed being the ones who give the test for new evaluators. A class will need to be given prior to testing. Courses taken will need to give certificates of completion to attendees. The Board needs to determine what type of coursework they want covered.

c. There are different groups that do evaluator training and this Board is able to decide who can be a certified program to teach evaluators.

d. The Board wants to make sure that different systems are covered in the field training.

5. New Business-

Tom Canfield has the GSDI training in 3 weeks. He had questions on the training and how many systems to cover in the field training. He is training with 5.

Is the term deficiency defined in the rules? If not the Board will add.
