

Septic System Evaluators Board
Public Minutes
August 29, 2018 at 9:30 a.m.

A meeting of the Septic System Evaluators was held on August 29, 2018. The meeting was called to order by Christopher Albert at 9:40 a.m. Those present were: Christopher Kent, Mark McConkey. Not present were Peter Rowell and Dawn Buker. Attending from the OPLC were Chris Horne and Joseph Shoemaker. Tom Canfield was present as a member of the public.

1. Reading and approval of the July 25, 2018 Minutes- M. McConkey made a motion to accept the minutes from the July 25, 2018 meeting as written. C. Kent seconded and motion passes.

2. Communications General- none

3. Communications- Board Action- none

4. Unfinished Business-

a. Vote on the 300s-500s Final Draft- M. McConkey made a motion to approve the 300-500s as written to go before JLCAR. C. Kent seconded, all in favor and motion passes.

b. 600- Purpose and Scope- C. Albert supplied the definitions to be added to the rules. This section of the rules will be cleaned up and reviewed at the next meeting.

c. NAWT- C. Albert spoke with representatives from NAWT. The Board has a syllabus of the course they offer. The Board will discuss at the next meeting. The issue of field sites is a potential problem.

d. C. Kent feels there are going to be places where the Board can get training sites. At the next meeting the Board will discuss how to reach out to potential places. State Parks, Dred, Mobil Home Parks, reach out to other Boards for possibilities. The need for sites could be posted on the website. C. Kent may have a possible site. Staff needs to reach out to the Boards Attorney to make sure there is no conflict of interest.

5. New Business-

a. Grandfathering- M McConkey would like to open up the grandfathering again. He is going to put something together for the Board to review at the next meeting. There is an opportunity to do this. There are a number of people who were not aware of the grandfathering who have done septic evaluations for a number of years.

b. Tom Canfield has the same concern about the field sites. He mentioned as an incentive to letting sites be used for training, offer to pump the tanks at that time.
