III. New Business –

A. Parking for Board Members

Following is an important update that will need to be shared with all Board, Commission, Council and Committee Members. Previously, our BCCC Members and Visitors had access to park extended hours in the (6) visitor spaces that are located in the parking lot at the back of our building, off from Dixon Street. Please be advised and notify all of your BCCC Members that these spaces are now only valid for (1) hour and they may be towed if parked there beyond (1) hour. If they are towed, they will be responsible for any associated towing fees.

Following are the options for extended parking in downtown Concord near our office (see attached map):

Storrs Street: You may pay at a meter and place the parking ticket in your car or download the City of Concord parking app on your mobile phone and pay for up to 10 hours.

Storrs Street or School Street Public Parking Garage: You pay via app or print a parking ticket at a kiosk for your vehicle window. Like the on-street parking on Storrs Street, you can prepay for up to 10 hours in the parking garages.
