STANDING ORDER

Order on Licensing Proceedings

The Board of Accountancy has the authority¹ to direct that evidence be solely received by a presiding officer who, in addition to exercising the authority given to the presiding officer under RSA 310 and RSA 541-A, shall be charged with making findings of fact, determining appropriate sanctions or action, or denying or accepting settlement agreements.

The Board hereby directs the presiding officers employed by the Office of Professional Licensure pursuant to RSA 310:11 to receive evidence, make findings of fact, determine appropriate action(s), and accept or deny settlement agreements for any and all licensing proceedings where the sole issue presented is whether the Licensee can demonstrate, by preponderance of the evidence, that they meet the requirements of RSA 161-B:11, VI-a and 42 U.S.C. 666(a)(13) where they failed to provide a social security number or individual taxpayer identification number on their application as required by law.

This Standing Order shall take effect on October 22, 2024 and shall remain in effect until terminated by operation of law or the Board votes to rescind the Order.

By Order of the Board:
