

ADDENDUM #1

RFI-2023-ADMIN-02-PHARM

Pharmacy Facility License Review

On February 3, 2023, the Office of Professional Licensure and Certification (OPLC) publish a Request for Information (RFI) to solicit information regarding facility licensing application review for the Board of Pharmacy (Board), which includes but is not limited to:

- Sterile and Non-Sterile Compounding (“Outsourcing Pharmacy”).
- Non-resident/Mail Order Pharmacies.
- Nuclear Pharmacies.
- Manufacturers, Wholesalers, and Distributers (“MWD”).
- Limited Retail Drug Distributer (“LRDD”).

The OPLC received no information in response to this RFI. Therefore, this addendum is published to **cancel** RFI-2023-ADMIN-02-PHARM.

The OPLC may decide to seek similar information in the future. Should the OPLC seek the same or similar information in the future, vendors will be notified of the RFI in a manner similar to the notification utilized for RFI-2023-ADMIN-02-PHARM.
