

Adopted Rule for the Board of Nursing Home Administrators

Dear Licensee,

The Board of Nursing Home Administrators would like to inform you of the recently adopted rules under **Nuh 305.05**, which will become **effective February 8, 2025**. Until then, the current rules remain in effect and must be adhered to.

Summary of Key Changes:

- Acting Administrators must be supervised by a licensed Administrator with at least 5 years of experience and in good standing with the board.
- Supervising Administrators must notify OPLC of their intent to supervise an acting Administrator.
- A licensed Administrator may only supervise one acting Administrator at a time.
- Supervisors must provide at least 8 hours per week of direct onsite supervision.
- Supervisors are responsible for all aspects of the facility's operation.
