Upon request the Board will provide the licensee with laws governing the practice of Barbering, Cosmetology, and Esthetics and the administrative rules. You must be in compliance with all laws and rules of the Board, along with any other state requirements, and your city or town in which your shop is located.

Licensees specifically must comply with Env-Ws 1603.01 with regards to wastewater disposal. For additional information please contact Mitchell Locker at (603) 271-2858.

I _____ certify that I have read all laws governing barbering, cosmetology, manicuring and esthetics and the administrative rules of the Board and my shop is in compliance with all of them. I understand any violation of the rules or statute will result in fines assessed to my shop and possible disciplinary action by the Board. I understand that my shop cannot open until the Board's inspector has given me approval. I further state that I will repay the fee if I am not at the shop when the inspector arrives to conduct the initial inspection or if my shop is not in compliance.

Permission to operate in the place of my choice may require additional permits. I understand it is my responsibility to obtain such permits and comply with all state laws and city or town ordinances.
