1. Items from Committee for review (no items received)

The Committee discussed the progress they had made at the past two meetings. After thorough discussion, the Committee decided to continue with the removal of rule Den 302.05 (j) (1) b. as the rules already allow for local/nitrous and do not require a permit. The Committee also decided to develop an option that would require a statutory change and allow the Board to issue permits; they plan to present this proposal and a proposal for a mid-level provider to Jay Patel at the next meeting.

IV. Adjourn Meeting

Barbara Stowers adjourned the meeting at 3:05 pm.
