VI. New Business

- A. Discussion with Bethany Cottrell on HB 594 and what the licensure will look like.

Bethany discussed an example with the Board and the requirements for an applicant to apply by endorsement. C. Mulleavey would like to continue to review the applications as they do now. OPLC will write rules similar to the Boards. OPLC will determine which states are similar. Board will continue to review applications as they always have. C. Mulleavey explained that applications are not reviewed by the Board until they are complete. NCEES Model Law Engineers is the base standard for licensing engineers. These applicants are licensed within a very short time.

Discussed the PLC 313 rules. Staff will send to the Board.
The Board would like Lindsey Courtney and Bethany at the next meeting.
