- A. Tedd Evans - Letter of Request

Director Cottrell attending at 10:00 am to discuss

 [Mechanical Safety & Licensing Board Public Meeting Minutes DRAFT 01.10.2025.pdf](#)

Director Cottrell attended to discuss Mr. Evans Letter of Request. She reviewed the process with CE Broker will be that all Providers will need to apply through CE Broker and CE Broker will maintain the list of Providers for Licensees to access, this information will no longer be maintained on the Mechanical Safety & Licensing Board webpage. Currently the education that is listed on the education webpage is pre-education for licensing. Mr. Evans questioned why there is a provider that also has continuing education listed on their webpage. Director Cottrell indicated that OPLC would take Mr. Evan's feedback and review the webpage to determine if any changes need to be made.

Mr. Evans expressed concern about the "pick your plan" section of the CE Broker website is unclear that there is a Free option and that they seem to guide licensees to a paid service. Director Cottrell indicated that OPLC has provided that feedback to CE Broker and they have recently updated their website to make the Free (Basic) option the first choice.

- B. Tedd Evans Verbal Public Comment

Tedd shared with the Board that he is receiving emails with concern as he has not been required to hand out certificates in the past. He has been emailing attendees confirming attendance and they can use those in place of certificates. He is requesting training and education from CE Broker specifically for instructors.

The CE Broker FAQ section of OPLC's website was provided as a resource to remote attendees: [CE Broker | NH Office of Professional Licensure and Certification](#)

He expressed concerns about sending in certificates as individuals to upload versus uploading as a group from provider.

- C. Gary Gauthier

Requested OPLC to schedule a virtual meeting with registered providers to discuss CE Broker. Mr. Gauthier offered to support by gathering dates that everyone is available to get together.

D. Gary Haines

Mr. Haines inquired about the status of the CETP to PEP training and if there were questions regarding the timeline that he submitted for Board review.
