STANDING ORDER

Order on Continuing Education Requirements for Conditional Licenses

The Board of Mental Health Practice (“Board”) has the authority to “establish procedures for assuring the continuing competence of persons licensed under this chapter including . . . continuing education requirements” as part of the criteria for renewal.¹ The Board’s administrative rules require that a licensee wishing to renew their license shall complete 40 approved continuing education hours.²

A conditional license holder is considered a licensee subject to the Board’s jurisdiction and required to adhere to all applicable laws and regulations. A conditional license, however, is intended to only last 2 years and renewed one time if an applicant in good standing applies.

The Board authorizes the Office of Professional Licensure and Certification to waive for a conditional license holder the continuing education requirements required by all other licensees if a conditional license holder applies for a one-time renewal.

This Standing Order shall take effect on January 7, 2025, and shall remain in effect until terminated by operation of law or the Board votes to rescind the Order.

By Order of the Board:

Date: 1/7/25

Board Chair:
