Plc 313.03 Applications for Licensure by Endorsement. An applicant for licensure by endorsement shall:

(a) Submit the following to the licensing bureau using the portal available via [www.oplc.nh.gov](http://www.oplc.nh.gov) or, if the portal is not yet available or if submitting the application via the portal is not practicable for the applicant, by mailing a paper application to the address specified in Plc 102.03:

- (1) A completed “Universal Application for License by Endorsement”, dated September 2023, that contains the information specified in Plc 313.04 and is signed and attested to as specified in Plc 313.06;
- (2) The documentation specified in Plc 313.05; and
- (3) The non-refundable application processing and licensing fee specified in Plc 1002, unless Plc 304.02(a) relative to exempting active military and military spouses from paying application and licensing fees applies; and

(b) If applicable law requires a criminal records check, complete the process established by applicable law and the NHDOS for requesting a criminal records check, accessible via the NHDOS website at <https://www.nh.gov/safety/> or directly at <https://services.dos.nh.gov/chri/cpo/>, including paying any required fee and directing that the results be sent to the licensing bureau, provided that proof of the applicant’s military security clearance may be provided in lieu of the criminal background check if allowed by applicable law.

Plc 313.04 Information Required for Initial License Application. The applicant shall identify the profession for which the application is being filed and then provide the following information:

(a) The applicant’s full legal name, including any suffix such as “Jr.” or “III”, and any name(s) under which the applicant holds or has held a professional license;

(b) The applicant’s date of birth by month, day, and year;

(c) The applicant’s social security number, as required by RSA 161-B:11, VI-a and 42 U.S.C. 666(a)(13);

(d) The applicant’s gender assigned at birth, to be used solely for purpose of workforce data analysis by New Hampshire employment security;

(e) The applicant’s home physical address by street name and number, apartment number if applicable, municipality, county, state, zip code, and country if not the U.S., and home mailing address if different;

(f) The applicant’s home or other personal telephone number;

(g) The applicant’s designated email address;

(h) The name of the jurisdiction in which the applicant is licensed that the applicant believes has requirements that are substantially similar to New Hampshire’s requirements;

(i) For applicants in any health care field:

- (1) Whether the applicant intends to practice in New Hampshire more than 50% of the time, whether in-person or by telehealth; and

(2) Whether the applicant has an ownership interest in any diagnostic or therapeutic service(s) or company(ies) and if so, the name, address, and specific diagnostic or therapeutic service offered by each company;

(i) Whether the applicant is on active military duty or is a military spouse, and whether the applicant is applying for facilitated licensure;

(k) Whether the applicant consents to the disclosure to third parties of any or all of the applicant's contact information.

Plc 313.05 Documentation Required for Initial License Application. At the time an applicant for a license by endorsement submits a completed license application, the applicant shall submit, or arrange for the licensing bureau to receive:

(a) Primary source verification from the jurisdiction identified pursuant to Plc 313.04(h), such as a print-out or screen capture of the licensing board's portal showing that the individual is licensed to practice and that the license is in good standing; and

(b) If the applicant is seeking licensure as active military or as a military spouse, proof of service status and, if applicable, proof of marriage as specified in Plc 304.04((e) and (f).

Plc 313.06 Required Signature and Attestation.

(a) An applicant for a license by endorsement shall sign and date the application, provided that for applications that are submitted electronically, the act of submitting the application shall constitute the signature and the date of submission shall be the date.

(b) The signature shall constitute the applicant's attestation that:

(1) The applicant is not under investigation by any professional licensing board and the applicant's credentials have not been suspended or revoked by any professional licensing board;

(2) The information and documentation provided are true, complete, and not misleading to the best of the applicant's knowledge and belief;

(3) The applicant understands that providing false or misleading information constitutes grounds for denial, suspension, or revocation of a license; and

(4) The applicant understands that knowingly providing false material information constitutes a misdemeanor under RSA 641:3 relative to falsification in official matters.

Plc 313.07 Processing of Applications for a License by Endorsement; Decisions.

(a) The executive director shall grant a license to each applicant who is licensed in another jurisdiction in the profession for which application is being made and who provides all items specified in Plc 313.03 including without limitation proof that the applicant holds an license in good standing in another jurisdiction based on requirements that are substantially similar to New Hampshire's and has committed no acts or omissions that are grounds for disciplinary action.

(b) If the information submitted by the applicant shows that the applicant does not qualify for a license by endorsement, the executive director shall deny the application.

(c) If the information submitted by the applicant shows that the applicant qualifies for a license by endorsement but applicable law requires a criminal background check and the OPLC has not yet received

the results from the NHDOS, the executive director shall issue a provisional license that allows the applicant to practice in New Hampshire pending the results of the criminal background check.

(d) If a provisional license is issued pursuant to (c), above, then when the results of the criminal background check are received, the executive director shall:

- (1) Issue a regular license to the provisional licensee, if the results do not show grounds to deny the application; or
- (2) If the results do show grounds to deny the application, notify the licensee in writing and refer the matter to the applicable board for a hearing.

(e) If the information submitted by the applicant is insufficient to allow the executive director to issue or deny a license by endorsement, the executive director shall request the applicant to provide the additional information needed to allow a determination to be made.

(f) Denial of a license by endorsement under this part shall not automatically result in denial of a regular license should the individual choose to apply under Plc 304.

Plc 313.08 License by Endorsement: Issuance and Duration.

(a) Each license by endorsement issued under this part shall specify:

- (1) The name of the licensee;
- (2) The profession in which the licensee is authorized to practice and any limitations or sub-specialty, for example “Body Art Practitioner - Tattoo”;
- (3) The effective date of the license; and
- (4) The license number.

(b) A license issued pursuant to this part that is not provisional shall be valid for 2 years from the date of issuance, subject to the following:

- (1) Timely and complete application for license renewal by eligible applicants shall continue the validity of the licenses being renewed until final action has been taken on the renewal application; and
- (2) Suspension or revocation of the license pursuant to Plc 311 or other applicable law shall cause the license to not be valid unless and until it is reinstated as provided in Plc 300.

(c) A provisional license shall expire upon the approval of full licensure, or if full licensure by endorsement is denied, as of the date of:

- (1) The final decision of the board if no appeal is taken; or
- (2) The final decision in the final appeal taken.

Plc 313.09 Obligations of Licensees by Endorsement. Upon issuance of a license or provisional license under this part, the licensee shall become subject to:

- (a) Plc 307 relative to licensee obligations;
- (b) Plc 308 relative to license renewal;
- (c) Plc 309 through Plc 311; and
- (d) The regulatory authority of the applicable board.

Plc 313.10 Definitions Related to Substantially Similar Requirements. For purposes of establishing substantially similar requirements, the following definitions shall apply:

(a) “Current requirements” means the requirements that are in place in the licensing jurisdiction for obtaining a license by substantive qualification as of the date an application for a license by endorsement is filed in New Hampshire;

(b) “License by substantive qualification” means the requirements for obtaining a license by means other than endorsement or reciprocity;

(c) “Licensing jurisdiction” means the jurisdiction that issued the license that the applicant believes is based on substantially similar requirements; and

(d) “State-approved” means approved by the licensing jurisdiction.
