

Dear Dental Licensees,

We would like to inform you that the Office of Professional Licensure and Certification (OPLC) has been made aware of fraudulent activity involving individuals claiming to represent the Board of Dental Examiners or Board of Medicine. These individuals are stating they work with investigations for our agency and are asking for DEA numbers, spoofing our telephone number, and threatening license suspension.

If you receive a call regarding your license and requesting personal information, please contact the OPLC at 603-271-2152 (and no other number) to ensure you are speaking with a member of the OPLC.

If you have any concerns regarding this, please contact the Division of Enforcement at 603-271-2152.

Thank you,

Office of Professional Licensure and Certification
