Board of Medicine
Concord, New Hampshire 03301**

In the Matter of:
Walter N. Jacobs, MD
No.: 6636
(Misconduct Allegations)

SETTLEMENT AGREEMENT

In order to avoid the delay and expense of further proceedings and to promote the best interests of the public and the practice of medicine, the New Hampshire Board of Medicine ("Board") and Walter N. Jacobs, MD ("Dr. Jacobs" or "Respondent"), a physician formerly licensed by the Board,¹ do hereby stipulate and agree to resolve certain allegations of professional misconduct now pending before the Board according to the following terms and conditions:

1. Pursuant to RSA 329:17, I; RSA 329:18; RSA 329:18-a; and Medical Administrative Rule ("Med") 206 and 210, the Board has jurisdiction to investigate and adjudicate allegations of professional misconduct committed by physicians. Pursuant to RSA 329:18-a, III, the Board may, at any time, dispose of such allegations by settlement and without commencing a disciplinary hearing.
2. The Board first granted Respondent a license to practice medicine in the State of New Hampshire on December 6, 1982. Respondent holds license number 6636. Respondent practices as a family practice physician at a practice located at 795 Turnpike Road, North Andover, MA 01845.

¹ Respondent was licensed by the Board during all times relevant to the conduct addressed herein.

3. In August 2008, the Board received information that Respondent was under investigation in the Commonwealth of Massachusetts in December 2007 and January 2008 for possible misconduct in the practice of medicine.
4. In response to this, the Board conducted an investigation and obtained information from various sources pertaining to whether Respondent provided complete and material information to the Board on his license renewal applications in 2006, 2004, 1993 and 1992.
5. Respondent neither admits nor denies the allegations herein, but stipulates that if a disciplinary hearing were to take place, the Board could make the following factual findings to support the conclusion that Respondent engaged in professional misconduct, as defined in RSA 329:17, VI (a), by "knowingly provid[ing] false information during any application for professional licensure . . . whether by making any affirmative statement which was false at the time it was made or by failing to disclose any fact material to the application":
 - A. Respondent is currently licensed to practice medicine in the Commonwealth of Massachusetts and was licensed to practice medicine in the State of New Hampshire until his license expired on June 30, 2010.
 - B. In a renewal application dated April 16, 2004, Respondent failed to disclose that within the prior twelve months he had been the subject of investigations by the Massachusetts Board of Registration in Medicine.

- C. On license renewal applications submitted to the Board in 1992 and 1993, Respondent failed to provide written explanations for certain questions as expressly required by the language on the application.
6. Respondent acknowledges that this conduct constitutes grounds for the Board to impose disciplinary sanctions against Respondent.
7. Respondent consents to the Board imposing the following discipline, pursuant to RSA 329:17, VII:
- A. Respondent is REPRIMANDED.
- B. Respondent is assessed an ADMINISTRATIVE FINE in the amount of four thousand dollars (\$4,000.00). - C. The Board may consider Respondent's compliance with the terms and conditions herein in any subsequent proceeding before the Board regarding Respondent's license.
- D. Within ten (10) days of the effective date of this agreement, as defined further below, Respondent shall furnish a copy of the *Settlement Agreement* to any current employer for whom Respondent performs services as a physician or work which requires a medical degree and/or medical license or directly or indirectly involves patient care, and to any agency or authority which licenses,

certifies or credentials physicians, with which Respondent is presently affiliated.

- E. For a continuing period of one (1) year from the effective date of this agreement, Respondent shall furnish a copy of this *Settlement Agreement* to any employer to which Respondent may apply for work as a physician or for work in any capacity which requires a medical degree and/or medical license or directly or indirectly involves patient care, and to any agency or authority that licenses, certifies or credentials physicians, to which Respondent may apply for any such professional privileges or recognition.
8. Respondent's breach of any terms or conditions of this *Settlement Agreement* shall constitute unprofessional conduct pursuant to RSA 329:17, VI (d), and a separate and sufficient basis for further disciplinary action by the Board.
9. Except as provided herein, this *Settlement Agreement* shall bar the commencement of further disciplinary action by the Board based upon the misconduct described above. However, the Board may consider this misconduct as evidence of a pattern of conduct in the event that similar misconduct is proven against Respondent in the future. Additionally, the Board may consider the fact that discipline was imposed by this Order as a factor in determining appropriate discipline should any further misconduct be proven against Respondent in the future.
10. This *Settlement Agreement* shall become a permanent part of Respondent's file, which is maintained by the Board as a public document.

13. Respondent understands that his action in entering into this *Settlement Agreement* is a final act and not subject to reconsideration or judicial review or appeal.
14. Respondent has had the opportunity to seek and obtain the advice of an attorney of his choosing in connection with his decision to enter into this agreement.
15. Respondent understands that the Board must review and accept the terms of this *Settlement Agreement*. If the Board rejects any portion, the entire *Settlement Agreement* shall be null and void. Respondent specifically waives any claims that any disclosures made to the Board during its review of this *Settlement Agreement* have prejudiced his right to a fair and impartial hearing in the future if this *Settlement Agreement* is not accepted by the Board.
