ORDER LIFTING LICENSE RESTRICTIONS

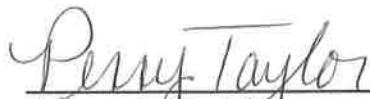

Now before the New Hampshire Board of Medicine ("Board") is a request from Michael P. Dipre, M.D. ("Dr. Dipre"), dated March 27, 2017, to remove the restrictions placed on his medical license by the Board in a "Settlement Agreement" dated February 8, 2013. Dr. Dipre has indicated that he has successfully completed the program at the Center for Personalized Education for Physicians ("CPEP") as mandated by the 2013 Settlement Agreement. After reviewing Dr. Dipre's request of March 27, 2017, and also the March 10, 2017 Post Education Evaluation Report from CPEP, the Board finds that Dr. Dipre has fulfilled the concerns of the Board. In light of the above, the Board finds that it is appropriate to lift the restrictions of his license at this time.

THEREFORE, IT IS ORDERED that the restrictions on Dr. Dipre's medical license be lifted. Effective the date of this order, Dr. Dipre holds a full, unrestricted license in the State of New Hampshire.
