Docket No. 16-03

ORDER ON MOTION TO STAY

The New Hampshire Board of Accountancy hereby Orders that the Respondent's Motion to Stay is Denied, as the Respondent's Motion failed to establish or explain the alleged irreparable harm he would suffer if the Motion were not granted. Moreover, the Board found that there was insufficient evidence in both the Motion to Stay and the Motion for Reconsideration to establish a likelihood of success on his Motion for Reconsideration. Rule Ac 213.03 specifically states "A motion for stay shall be granted only if it is filed with a motion for reconsideration and within the time period specified by Ac 213.01(b). Such a motion for stay shall be granted *if* the board determines that the licensee would suffer irreparable harm *and* the movant demonstrates a likelihood of success with respect to the motion for reconsideration." Emphasis Added.

Given the Board's findings as set forth above, the Respondent's Motion For Stay is DENIED.
