In the Matter of:  
**Nancy A. Kressin, MD**  
**License No. 11759**  
(Adjudicatory Proceedings)

Docket No. 17-06

**ORDER OF EMERGENCY LICENSE SUSPENSION  
AND NOTICE OF HEARING**

1. RSA 329:18-b; RSA 541-A:30, III, and New Hampshire Board of Medicine Administrative Rule (“Med”) 409.01 authorize the New Hampshire Board of Medicine (“Board”) to suspend a license to practice medicine for no more than one hundred twenty (120) days pending completion of an adjudicatory proceeding, in cases involving imminent danger to life or health. In such cases, the Board must commence a hearing not later than 10 days after the date of the emergency order. If the Board does not commence the hearing within 10 days, the suspension order shall be automatically vacated. *See*, RSA 541-A:30, III. The Board may not continue such a hearing without the consent of the licensee to the continuation of the emergency suspension. *See*, RSA 329:18-b and Med 409.01. Postponement of the proceeding is prohibited unless the licensee agrees to continue the suspension pending issuance of the Board’s final decision. *See*, RSA 329:18-b and Med 409.01.

2. Nancy A. Kressin, MD (“Dr. Kressin” or “Respondent”), holds an active license, No. 11759, issued on October 2, 2002, to practice medicine in the State of New Hampshire. Respondent practices medicine in Laconia, New Hampshire.

3. The Board has received information indicating that the continued practice of medicine by Dr. Kressin poses an imminent threat to life, safety and/or health, which warrants the temporary suspension of Dr. Kressin's license to practice medicine pending a hearing on whether permanent and/or temporary disciplinary sanctions should be imposed. An investigation was conducted and a Report of Investigation was provided to the Board.

4. In support of this *Order of Emergency License Suspension and Notice of Hearing*, the Board alleges the following facts:

- A. On or about September 15-16, 2017, Respondent presented to Lakes Region General Hospital ("LRGH") to provide anesthesia services. Multiple staff members witnessed Respondent stumbling, having slurred speech, and poor coordination. Some witnesses reported that Respondent smelled of alcohol.
- B. LRGH suspended Respondent's privileges on an emergency basis following the incident.
- C. Respondent did not notify the Board that her privileges had been suspended.

5. Based upon the above information, the Board finds that the case involves imminent danger to life and/or health. Further, the Board believes there is a reasonable basis for both immediately suspending Respondent's license on a temporary basis, and for commencing an expedited disciplinary proceeding against Respondent pursuant to RSA 329:18-b, 541-A:30, III, and Med 409.01.

6. The purpose of this proceeding will be to determine whether Respondent has engaged in professional misconduct contrary to RSA 329:17, VI and RSA 329:18-b, which warrants the continued imposition of a temporary license suspension, the imposition of permanent disciplinary sanctions, or both. The specific issues to be determined in this proceeding are:

- A. Whether, on or about September 15-16, 2017, Respondent committed professional misconduct by presenting to work impaired in violation of RSA 329:17 IV (d); and/or
- B. Whether Respondent is a habitual user of drugs or other intoxicants in violation of RSA 329:17, IV (b); and
- C. Whether Respondent committed professional misconduct by failing to notify the Board that her privileges had been suspended at LRGH in violation of RSA 329:17 IV (d) and Med 403.03; and/or
- D. If any of the above allegations are proven, whether and to what extent, Respondent should be subjected to one or more of the disciplinary sanctions authorized by RSA 329:17, VII.

7. While RSA 329:18-a requires that the Board furnish Respondent at least 15 days' notice of allegations of professional misconduct and the date, time and place of an adjudicatory hearing, RSA 541-A:30, III and Med 409.01 require the Board to commence an adjudicatory hearing within ten (10) days after the date of an immediate, temporary license suspension order.

8. The Board intends to complete this adjudicative proceeding within the one hundred twenty (120) day time period provided by RSA 329:18-b and Med 409.01. Accordingly, neither the date of the initial evidentiary hearing nor the date for concluding this proceeding shall be postponed or extended unless Respondent agrees to continue the suspension period pending issuance of the Board's final decision in this matter. *See* RSA 329:18-b, 541-A:30, III, and Med 409.01.

THEREFORE, IT IS ORDERED that Respondent's New Hampshire license to practice medicine is immediately suspended until further order of the Board; and,

IT IS FURTHER ORDERED that an adjudicatory proceeding be commenced for the purpose of resolving the issues articulated above pursuant to RSA 329:17; 329:18-a; 329:18-b; 541-A:30, III; and Med 409.01. To the extent that this order or the Board's rules do not address an issue of procedure, the Board shall apply the New Hampshire Department of Justice Rules, Part 800; and,

Kressin, MD shall appear before the Board on Monday, November 20, 2017 at 6:00 p.m., at the Board's office located at 121 South Fruit Street, Concord, N.H., to participate in an adjudicatory hearing and, if deemed appropriate, be subject to sanctions pursuant to RSA 329:17, VII; and,
