In the Matter of:

George M. Nowak, M.D.  
License No.: 9167  
(Adjudicatory Proceedings)

**ORDER GRANTING REMOVAL OF RESTRICTIONS ON LICENSE**

Now before the Board of Medicine (“the Board”) is a Request from George M. Nowak, M.D. (“Dr. Nowak” or “the Respondent”) for removal of the restrictions on his New Hampshire medical license.

On December 14, 2015, Dr. Nowak signed a Preliminary Agreement For Practice Restrictions, which was accepted by the Board and effective on January 4, 2016, agreeing to abide by all of the conditions of practice set forth in the Preliminary Agreement For Practice Restrictions. On December 9, 2016, the Board issued an Agreement For Non-Disciplinary Remedial Action (“Agreement”) imposing non-disciplinary remedial action, indicating the terms of the Agreement would remain in effect so long as the Respondent is licensed by the Board. Section 6E of the Agreement indicate “the Board may consider Respondent’s compliance with the terms herein and with the recommendations of any treating mental health and/or medical professional in any subsequent proceeding before the board regarding Respondent’s license.”

At the Board’s meeting on January 8, 2020, Sally Garhart, M.D., Director, NH Professionals Health Program (“NH PHP”) reported to the Board that Dr. Nowak has been in compliance with his monitoring contract with the NH PHP. Dr. Garhart also indicated that she is in agreement that the restrictions should be removed from his medical license.

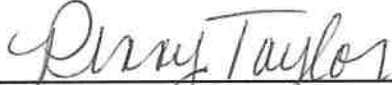

It was also noted that Dr. Nowak has been in compliance with all other requirements in his *Agreement For Non-Disciplinary Remedial Action*.

Having considered his request, the Board of Medicine grants Dr. Nowak's request to remove all restrictions from his medical license in New Hampshire and restore an unrestricted license.

THEREFORE IT IS ORDERED BY THE BOARD that the license of George M. Nowak, M.D. shall be full and unrestricted as of the date of this order.
