FAQ for New Elective Course Application

Q What should I email to the commission, and what should I send in the mail?

A *Email the entire course package either as one document or several, for example the course material as a pdf and the power point presentation. A copy of the application should be mailed along with a check (see instruction page) to the commission. Or you can mail the entire package to the commission along with the payment.*

Q When can I advertise my course?

A *A course that has been submitted for review cannot be scheduled or advertised prior to accreditation without including the information that the course is pending NHREC accreditation and may or may not be accredited.*

Q How do I document that my business is registered, and in good standing with the secretary of state's office?

A *The secretary of state's office would have sent you a certificate when you registered with a status. A copy of the certificate showing your status as "good standing", is required with the first application. After you have an accredited course the printout from their website, showing your status is sufficient.*
