Director

Dear Sir/Madam:

An individual has applied to this Board for licensure in the State of New Hampshire as a Landscape Architect and either has given your name as a reference or has stated that he/she has worked for you or with you. The Board will appreciate your sending the information requested on the reverse hereof and assures you that such information as you give will be treated in the strictest confidence.

The Board is required by law to obtain evidence of the good character of the applicant and his/her qualifications as a Landscape Architect before issuing a certificate of licensure.
