OPLC attorney Thomas Broderick to assist  
Board review Resp 402.02 License Renewal Procedure

(3) Have completed 24 hours of maintenance of continuing competence as described in Resp 406.01.

After discussion with OPLC rules Attorney Thomas Broderick it was brought to the Boards attention that they had already addressed the discrepancy in rule regarding the requirement of CEUs in March 2020. However, due to the pandemic the final draft of the 400 rules was never voted upon. Attorney Broderick reviewed the initial proposal of Resp 400s and did indicate there was a question that was not settled upon in March of Resp 402.06 required documentation of renewal. The question for the Board to decide was what documentation the Board wanted for NBRC credentialing. Richard Mozier commented that there are some licensees that are grandfathered in and do not have to renew their NBRC and therefore do not get updated notification as to when they expire. According to NBRC anyone credentialed prior to July 1, 2002 does not have to renew. After discussion the Board determined that a photocopy of valid credentials for those credentialed after July 1, 2002 would be sufficient. Attorney Broderick did let the Board know the next step after the approval of the initial proposal would be to have a public hearing. On a motion from Sarah Stone and a second by Jeffrey Reisert the Board voted to approve the initial proposal as amended.

No non - public session

ADJOURN: on motion by Sarah Stone, with a second by Jeffrey Reisert, the motion to adjourn at 10:13 A.M. carried in the affirmative.

Minutes respectfully submitted by Talia Wilson, Board Administrator.
