

Readopt with amendments Spe 405.01, effective 5/4/13 (Document #10327), to read as follows:

Spe 405.01 Maintenance of Continuing Competence.

(a) Licensees intending to renew their licensure shall maintain continuing competence by completing per biennium 30 hours of continuing professional education or professional activity further described in Spe 405.02.

(b) At least 15 of the hours required by (a) above shall relate directly to the clinical application of speech-language pathology.

~~[(c) No more than 50% of the clinical hours described in (b) above shall be obtained thru webinars, teleconferences, teleseminars, video lectures and video courses as described in Spe 405.07.]~~

~~[(c)]~~**(c)** The balance of the hours required by (a) above shall relate to general speech-language pathology theory and practice, including, but not limited to, supervision and consultation skills, curriculum development and trans-disciplinary issues or skills.
