

NH BVM List of Approved Continuing Education Providers

Continuing Education (CE) programs used to meet requirements for veterinary license renewal must

- Be RACE-approved Medical (Category 1) OR given by one of the approved associations listed below.
- Pertain to veterinary medicine.
- Be scientific in nature.

Limitations

- A maximum of 25% of credits may be obtained from RACE-approved Medical journal, distance, or online programs.
- A maximum of 25% of credits may also be obtained in alternative medicine, providing that the programs are RACE-approved Medical.
- RACE-approved Non-Medical programs are not approved to meet CE requirements unless they specifically fulfill opioid or ethics requirements.

The following organizations have been designated by the New Hampshire Board of Veterinary Medicine as approved providers for continuing education credits:
