In the Matter of:

Robert C. Vidaver, M.D.
(License No.: 13786)
(Adjudicatory/Disciplinary Proceeding)

Docket No.: 15-04

ORDER ON PRACTICE RESTRICTIONS

This matter was scheduled for a hearing on July 1, 2015. On June 22, 2015, the Board received an *Assented-To Motion to Continue Hearing* ("Motion") dated June 19, 2015 from Sean R. List, attorney for Robert C. Vidaver, M.D. ("Dr. Vidaver"). The Motion requests a continuance of the hearing until the resolution of Dr. Vidaver's criminal case. On June 22, 2015, the Presiding Officer approved the continuance. This Order ratifies the Presiding Officer's approval and further elaborates on practice restrictions during the pendency of the continuance.

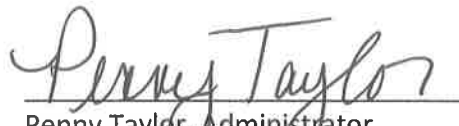

The hearing will be continued until a future date to be determined. By allowing the requested continuance the time limitation on licensee disciplinary proceedings is tolled pursuant to RSA 332-G:9, II (1).

The continuance is also granted to the extent:

- I. Dr. Vidaver will refrain from prescribing or administering any controlled substances; and
- II. Dr. Vidaver will pursuant to Med 407.02 schedule and attend an appointment with New Hampshire Professionals Health Program ("PHP") by July 31, 2015 and engage in any such program recommendation(s). While the PHP services are confidential, Dr. Vidaver agrees that any non-compliance by him with PHP's recommendations can be reported by the PHP to the Board of Medicine and further action may be initiated as a result. This reporting authority was articulated in Dr. Vidaver's Assented-To Motion for a continuance. Non-compliance with the PHP will trigger the rescheduling of the hearing in this matter.
