

New Partnership with VeriDoc Announced

VeriDoc will now be used to process and transmit all verification of licensure for the Board of Naturopathic Examiners.

Verifications will begin to be transmitted electronically to the OPLC through VeriDoc on or after February 1, 2024. After this time, we will no longer be accepting paper requests. Please note that the verifications processed through VeriDoc on behalf of the Board of Naturopathic Examiners are primary source verifications under NCQA standards.

To learn more about this service or to start a request, please visit the following website: [VeriDoc - Home](#).

If you have any questions regarding the VeriDoc service, please contact VeriDoc directly by email at support@veridoc.org or by phone at 701-319-6500.
